

CHILD ACTORS

- ❖ After choosing your child actor from the list you will be given time to research them. You will need to cover the following topics:
 1. Upbringing – basic background information, family life, education, etc.
 2. Rise to fame (how did they become famous, breakout roles, etc.)
 3. What became of them – what have they done outside of film, did they continue acting, were they successful, etc.

- ❖ Your information will need to be organized into an essay format. The requirements are as follows:
 - Times New Roman (12 pt. font)
 - Double spaced
 - Minimum 1.5 pages
 - Include a photograph of your actor with a caption (not to be included in 1.5 page count)
 - Works cited page – including sources from which your information was gathered. Minimum 2 sources (not including Wikipedia).
 - Do not rely solely on Wikipedia!

- ❖ After completing your research and organizing your ideas you will be presenting your information to the class. Try to find some interesting facts, even a few trivia questions, for your audience to keep them engaged.
