

# The Stranger

“The Stanger” was first published in English in 1946 by Matthew Ward. How would you feel if your mother were to pass away? Would you be sad and upset or not have an impact on you? The book starts out with the death of Meusault’s mother. After a motionless funeral and an affair with a girl Marie. Meusault’s sees himself sitting in the courtroom on trial.

I would recommend this book to older people who enjoy a mystery.
